Biography

Jonathan Tong practices in the areas of corporate finance, securities law and mergers and acquisitions, with a particular emphasis on public and private capital market transactions, capital market regulatory compliance and corporate governance.

Jonathan regularly advises mining and other resource companies in corporate and securities transactions, including public offerings and private placements (flow-through and non flow-through).

His practice also involves drafting and negotiating a broad range of general corporate and commercial, securities and corporate finance-related documents, including prospectuses, agency/underwriting agreements, subscription agreements, warrant indentures, filing statements, listing statements for all major Canadian stock exchanges, opinion letters and all manner of closing documents.

Jonathan is fluent in English and Cantonese.
